58, Chairman, RP-Sanjiv
Goenka Group

INNOVATION INCORPORATED

Because at a time when big businesses are under fire over poor corporate governance and enormous debt, the RP-Sanjiv Goenka Group is growing on the basis of internal accruals with a debt ratio of 1:1. Overall, the group posted 28 per cent growth in profit after tax, driven by a turnaround in Spencer's Retail, the growth of its power companies and profitability in Phillips Carbon Black Ltd and Saregama

Because he has cracked the code for guilt-free snacking, producing healthy avatars of traditional snacks under the Guiltfree Industries portfolio. The company has also recently acquired Nature's Basket and ayurvedic FMCG brand Dr Vaidya's

KEEPING THE FAITH

He is a deeply spiritual and religious man, devoting about 45 minutes each day to chanting mantras

SUBIR HALDER
